## Discovery Time: Science on Ice

Discover our favourite icy continent through a 5-part Science on Ice series! Create your own Antarctic creature using artist light pads, test your knowledge through chilly quizzes and journey with Sonny Ngatai as he explores Antarctica and learns about seals, penguins, creatures beneath the sea, life at Scott Base and Antarctic history. Join the expedition for one or all five sessions.

Bookings required.

**FREE**

## Make your own Wacky Scarecrow

Would you like a garden friend to scare away pesky birds eating your fruit and veges? Join Creative Junk and make a small scarecrow or bring the whole family and create a big one together!

Bookings required.

**FREE**

## Connecting Selwyn Employment Seminar

A platform for local employers and prospective employees to meet and discuss potential employment opportunities. There will be presentations from a number of local businesses who are currently seeking staff and time for you to speak directly about job opportunities.
