## Discovery Time: Science on Ice

Discover our favourite icy continent through a 5-part Science on Ice series! Create your own Antarctic creature using artist light pads, test your knowledge through chilly quizzes and journey with Sonny Ngatai as he explores Antarctica and learns about seals, penguins, creatures beneath the sea, life at Scott Base and Antarctic history. Join the expedition for one or all five sessions.

Bookings required.

**FREE**

## Crafted Coffee Company Workshop

Would you like to become a coffee connoisseur? Join Mark from the Crafted Coffee Company as he demonstrates coffee cupping, a process used to determine the different characters of coffee from quality to flavour notes. Taste coffee from different growing regions, different roast profiles and processing methods. A small coffee pack will be available to take home. 18+ years. Bookings required. \$10 library members, \$20 non-members.

## Awesome Autumn Storytimes

Join us for a special Storytimes to celebrate autumn. With fun interactive activities, seasonal stories and sing-alongs. Bookings required.

**FREE**

Check with a staff member for the latest information on how the COVID-19 Protection Framework may affect the programmes and activities listed. Vaccine passes are required at all libraries, events and activities for adults and children aged 12 years three months and over.
