FREE

Dressing for Employment

Presented by Vicki McMillan from Beauty and Style, pop along to our Dressing for Employment workshop – designed to give you the confidence to know you are dressed for success and interview-ready. Suitable for 16+ years. Bookings essential.

FREE

David Walliams Storytime

Come along and celebrate funny man David Walliams and his picture book collection with the hilarious tales of The Bear Who Went Boo, The Slightly Annoying Elephant, and more! Drop-in.

FREE

Ti Kōuka String Making

Use ti kōuka (cabbage tree leaves) to make a strong and beautiful twine. All ages welcome. Drop-in.

FREE

Intro to Permaculture

Hosted by writer and gardener Luke Sole, this session examines the simple design philosophy that makes garden spaces of all sizes productive and sustainable by using natural processes to create healthy connections between plants and pollinators (such as bees). These sessions cover the essential components of permaculture, with a practical focus on plant selection, maximising smaller spaces and managing weeds. Bookings essential.

FREE

Read Around the World

Pop in to your local library to pick up a summer reading passport. See how many places around the globe you can visit this summer, and complete fun challenges and activities along the way. Enter the draw to win one of four light pad giveaways!
