In Selwyn, Council is supporting a central government initiative called Heartlands, by helping our residents access central government services.

We do this by providing information about these services and helping you access them. We work with central government agencies to host drop-in sessions and workshops so you can learn about what they offer, and we arrange for them to use Council meeting rooms to connect with clients.

This initiative is delivered across our libraries and service centres at Darfield, Lincoln, and Leeston and at Te Ara Ātea in Rolleston. The team at each site looks forward to connecting you to the right service for you.

Look for the  Heartland Services logo throughout the brochure to explore what's on around Selwyn.

Art exhibition

Te Ara Ātea

What lies beyond our everyday encounters with water? How well do we see the stories that water holds? In Te Ara Ātea's art exhibition, *Undercurrents*, artists offer us a different way of seeing and thinking about our relationship to water in Waikirikiri Selwyn. Essential to life on Earth, there are endless thoughts and perspectives about water; *Undercurrents* presents just six of them. Each artist in this exhibition tells a different story that helps us think about the many waters that surround us and what stories flow beneath them.
